Give Thanks and Happy Holiday

As we prepare this newsletter, Thanksgiving is approaching. In the aftermath of the fires, we can all take this time to give thanks for our family and friends. The fires showed San Diegans at their best—helping and sharing with those who had losses greater than ours. It was a time to evaluate what is important to us. Many of us had to evacuate and in the process we had to select what to take

with us. How many people grabbed irreplaceable family pictures, favorite sewing machines, pets, etc.?

In the long run, we learned to value our loved ones above all material things. Our sympathies are with those of you who experienced losses in the fires. We cannot even begin to

imagine the sorrows you face in the rebuilding process.

Please take the holidays as a time to cherish what you have, and to refresh and renew.

The Martin Sewing Family extends our best wishes to all of you at this holiday season.

will be offering another set of Beginning Quilting classes starting in January for our next batch of quilters. The classes will start on January 10 and run for four weeks, so it's not too early to sign up now.
