

No-No List for Tasmanian Table

The opening and platform of the cabinet will accommodate sewing machines that are no larger than 22-1/8" wide, 11-1/8" front to back, and 13-7/8" tall*. Please measure your machine and include knobs, plugs, etc. that extend beyond the body of machine.

BabyLock

- **Destiny**

Brother

- **Dream VX8500D**

Janome

- **Horizon Memory Craft 15,000** will fit the platform however the knee lifter lever cannot be used with a sewing cabinet due to the length of the lever and how machine sits on the platform in flatbed position.

Elna

- **eXpressive 920** will fit the platform however the knee lifter lever cannot be used with a sewing cabinet due to the length of the lever and how the machine sits on the platform in flatbed position. Same as Janome Horizon Memory Craft 15,000.

These machines are ones that we know but there may be others especially as new models are introduced. Please measure your machine to be sure yours will fit.
