Model 8300 - L-Hook Placement Template

Print on 8.5"x14" Legal size paper. When printing from a PDF change the printer properties to match Legal size paper to prevent default scaling to 8.5"x11".

Align the left edge of this paper with the front edge of the inside left wall and the top of this paper with the underside of the top of the cabinet and tape this template in place.

Mark and drill two 1/8" holes 1/2" deep as shown.
