

# 7400

new electronic series

## Fully electronic for instant creativity.

### One-step. Push-button. Snap-on. Automatic.

The features of the Fully Electronic 7400 Series are as easy as they sound. From automatic stitch selection and settings to thread tension and button holes, you get more of everything – even time. And at a value no one else even comes close to. Only from SINGER® – the spirit of sewing.

The **SINGER® INGENUITY™** and **ADVANCE™** are fully electronic sewing machines. They have a full range of **utility, decorative, quilting, heirloom, and stretch stitches**. Each stitch is electronically formed and optimally set, which means **every stitch is sewn with exact precision**. The SINGER® INGENUITY™ and ADVANCE™ also thread quickly and easily with the **6-Second Threading System**. And with **pushbutton stitch selection**, even selecting a stitch is a snap.
