Class description	Learn the role value plays in quilt design: while we respond to color, it's value that allows us to see shapes and patterns in the quilt. The first session will be in a lecture format with hands-on exercises; the second session will fine tune the quilt pattern you've selected with fabric selection and sewing.
Supply list	First session: Portable design wall (or twin-size or larger piece of ALL COTTON batting/painters' blue tape/thumb tacks); digital camera; paper and pencil for notes; quilt design you'd like to duplicate or use one of mine. Second session: Fabrics for quilt top; sewing machine with accessories and manual; sewing supplies (seam ripper, pins, rotary cutter/rulers/mat, etc); needles and threads to match your fabrics.
Instructor	Renee Hoeprich
