Supplies

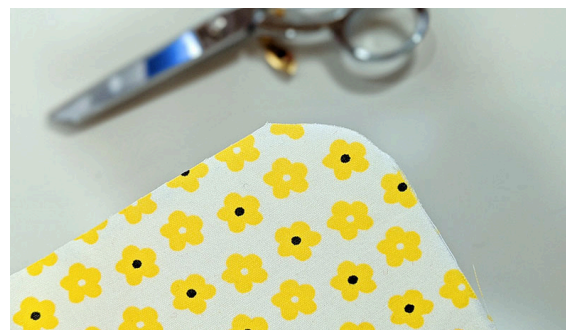

ADVANCED: Sewing

- Fat Quarter Cotton Fabric or 1/4 yard of Cotton Fabric
- Double Fold Bias Tape 1/4 yard Two-sided Fusible Flex Foam
- Fabric Vinyl
- Brother ScanNCut
- Brother Sewing Machine

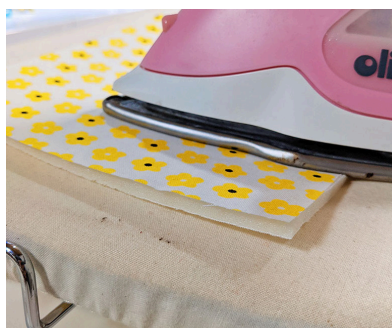

Sew Eyeglasses Case

- 1 Cut two rectangles out of your fabric at 8" x 13.5". On the bottom end of one corner, cut a curved corner.

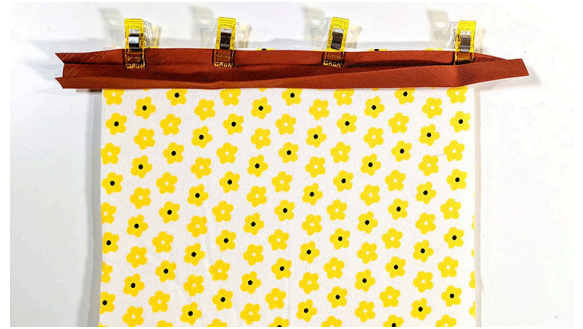

- 2 Cut one rectangle of your flex foam at the same measurement, 8" x 13.5".

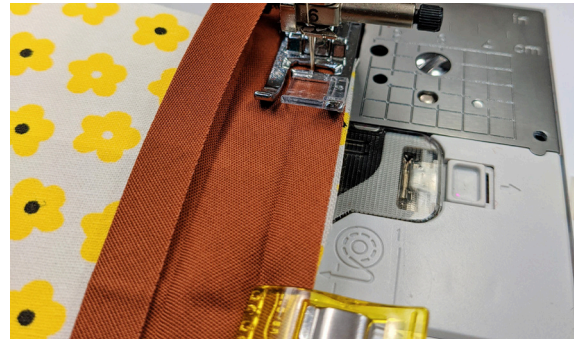

- 3 Adhere the fabrics to both sides of your flex foam with your iron. Make sure the right sides of your fabric are facing out.

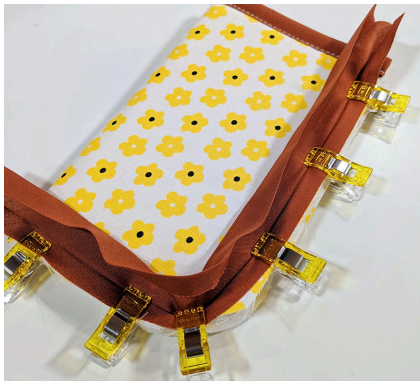

- 4 On the long side, pin your bias tape in place. On each end, the bias to extend about $\frac{1}{2}$ ".

- 5 Stitch bias tape in place and as you are sewing, don't forget to fold the ends of the bias tape inside the bias tape.

- 6 Fold eyeglass case in half and attach the bias tape on the outer edge.

Cut Letters with Your ScanNCut:

- 1 Place vinyl with shiny side down.

- 2 On the ScanNCut, press on pattern.

- 3 Press on the letters and choose your font.
We like FO-A001.

- 4 Type in your letters and press ok.

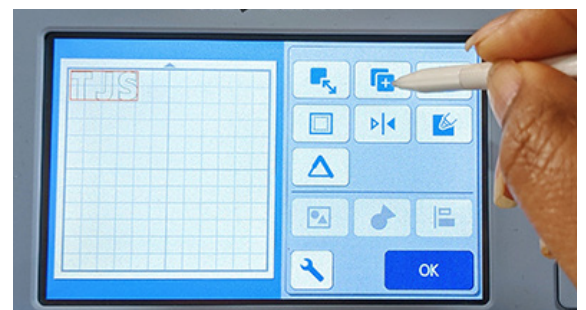

- 5 Adjust size to 1.74" height and press Set.

- 6 Press Edit, then Edit Object.

- 7 Press on the duplicate button. You want to create two of the same images so adjust the number to 2.

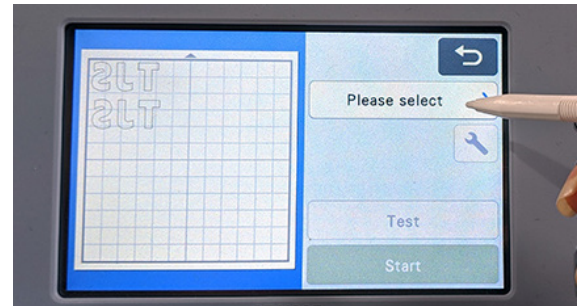

- 7 Press on the duplicate button. You want to create two of the same images so adjust the number to 2.

- 8 Now, press the mirror button. Be sure to mirror both sets of letters.

- 9 Click 'OK' three times to pass through the menu. Then, press 'Please Select' and 'Cut'.

- 10 Click on the wrench to edit your cut to half cut

- 11 Before making your final cut, test your cut first.

- 12 If your letters come out clean, proceed with your cut. If not, adjust the pressure and test again until it comes out clean.

- 13 Once you're finished cutting, press ok.

Press Your Letters onto Case:

1 Center your first set of letters in the middle of your case. Press in place.

2 Place your second set of letters on top but, move it slightly over to create a shadow effect. Press in place.

Final Product:
