

# Model 8080

## Description

Model 8080 is the ultimate sewing center for smaller spaces. Designed with footprint in mind, we removed the door and right side swing-up extension to give you more placement options.

Dimensions	Open	Closed
Width	63 1/4"	63 1/4"
Depth	40"	27"
Height	29 3/4"	
Cut-out	31" x 15 1/2"	
Weight	262 lbs	

## Features

- Easy to access thread pull-out that keeps up to 132 spools of thread at hand.
- Embroidery Module and hoop storage that can be converted into adjustable shelves for storage.
- Cabinet depth of 27" for more knee room and an easier fit with larger embroidery machines.
- Extra wide machine cut out that fits most new machines like the Solaris, Luminaire, and 880 BERNINA.
- Three soft closing drawers
