

Creating a Block from a Triangle

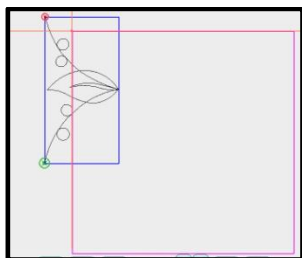

- Press **Design**.
- Press **File**.
- Press **Open**.
- Double tap on:
- **Designs/HQ Designs/ Triangles/Leaf and Circles Triangle**

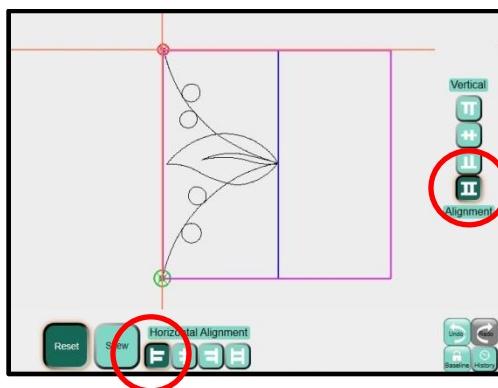

- Press **Area**.
- Press **2 Corner**.
- Type **12** in the **Area Width**.
- Type **12** in the **Area Height**.
- A 12 inch square block area has now been created.

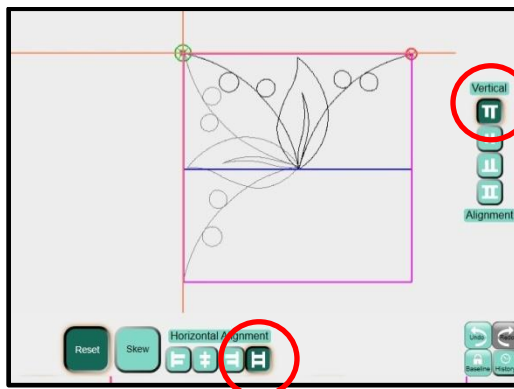

- Press **Rotate**.
- Rotate design counterclockwise.

- Press **Skew/Align**.
- Press the Left Horizontal button.
- Press the Stretch Vertical button.

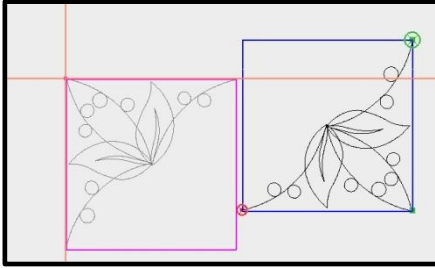

- Press **File**.
- Press **Duplicate**.
- Press **Rotate**.
- Rotate Clockwise.
- Press **Skew/Align**.
- Press **Vertical Top Alignment**.
- Press **Horizontal Stretch Alignment**.

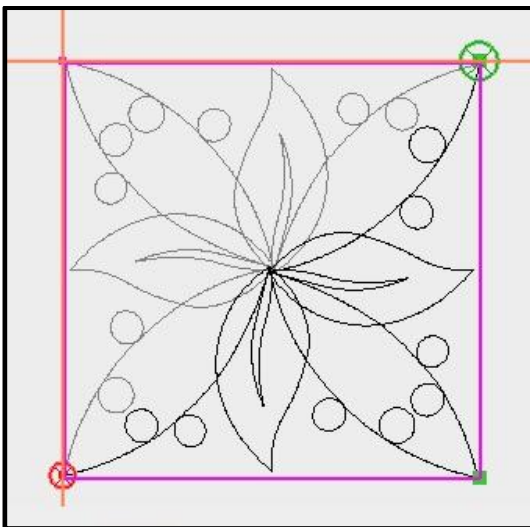

- Press **Select**.
- Press **All**.
- Press **File**.
- Press **Duplicate**.

- Press **Rotate**.
- Rotate the design clockwise.

- Press **Skew/Align**.
- Press the **Vertical Bottom Alignment** button.
- Press the **Horizontal Right Alignment** button.
- Now you have created a Block using a triangle design.
- Press **File**.
- Press **Save**.
- Save it in Blocks as a new design.

See how one design can be used for a whole quilt.
