## SEW IN COMFORT. SEW LONGER.™

Kangaroo Sewing Furniture's focus is to create an experience that will accommodate longer periods of time spent behind your sewing machine, with increased comfort. Cabinets are designed to allow for free arm and flat bed sewing, producing a flush sewing surface with a more ergonomic posture to sew in comfort and sew longer.

## FEATURED BENEFITS:

### COMFORT

- Adjustable two-position manual lift allows you to go between free arm and flat bed positions
- An extra-large work surface keeps large projects from pulling or laying on the floor
- Easily switch between sitting and standing with the turn of a crank, moving table from 28-1/2" to 38" tall
- Designed to work with a custom machine insert increasing comfort and efficiency with a totally flush work surface

### DESIGN

- Lifetime warranty, worry-free performance
- Large lift opening to fit most large sewing machines on the market, up to 45 lbs
- Sturdy design with locking industrial casters for portability and stability

### STORAGE and ORGANIZATION

- Tabletop flips on its side with the pull of a pin, allowing table to be stored away with ease or use as a design wall
- Optional cutting mats available
- Complementary Kangaroo storage furniture is available

## SEW IN COMFORT. SEW LONGER.™

Enhance your sewing experience with a custom-made insert for your Kangaroo Cabinet. Inserts are designed to fill the gap between the machine and cabinet opening. Each insert is manufactured to fit your Kangaroo Cabinet and fill open space around your specific machine delivering the perfect fit. This ergonomic work surface for the free arm of the sewing machine allows for straighter stitches, less fatigue and an overall better experience using your machine and cabinet. Kangaroo Cabinets have a 1/4" ledge which the acrylic insert rests creating a flush work surface that is more comfortable and allows you to sew and quilt longer.
