

# MAVEN 125IS

## HOME IRONING STATION

The Maven 125IS is a new generation of iron station that's fast and easy to set up for a quick pressing job, yet provides unlimited ironing when it's needed. The 125IS's technology breakthrough is the micro-pump technology that allows for super fast heat up time in less than a minute.

Equipped with a 1L removable water tank, 6 bar pump pressure, easy to use digital temperature control, replaceable anti-scale filter and ergonomic design, it's a joy to use.
