

MAVEN 140IS

HOME IRONING STATION

The Maven 140IS is a new generation of iron station that's fast and easy to set up for a quick pressing job, yet provides unlimited ironing when it's needed. The 140IS's technology breakthrough is the micro-pump technology that allows for super fast heat up time in less than a minute.

Equipped with a larger 1.5L removable water tank, 6 bar pump pressure, easy to use touch screen temperature control, replaceable anti-scale filter and ergonomic design, it's a joy to use.
