Sewing Supplies

- Pink Silk: 17 3/4" x 53 1/8" (45x135 cm)
- Organza/Toile: Scrap pieces for appliqués
- Batting: 11 7/8" x 19 6/8" (30x50 cm)
- Tear-away stabilizer
- Matching sewing thread
- Embroidery thread
- Yarn to create a tassel
- Beads for shoulder strap
- Strong, durable thread for shoulder strap
- Snap fastener
- Included pattern template for heart shape (click [HERE](#) to go to last page)

Cut

Add 5/8 inch (1,5 cm) seam allowance to the pattern pieces.

Pink Silk:

1 piece 16"x16" (40x40 cm) for embroidery

3 pieces cut out using the heart pattern

Batting:

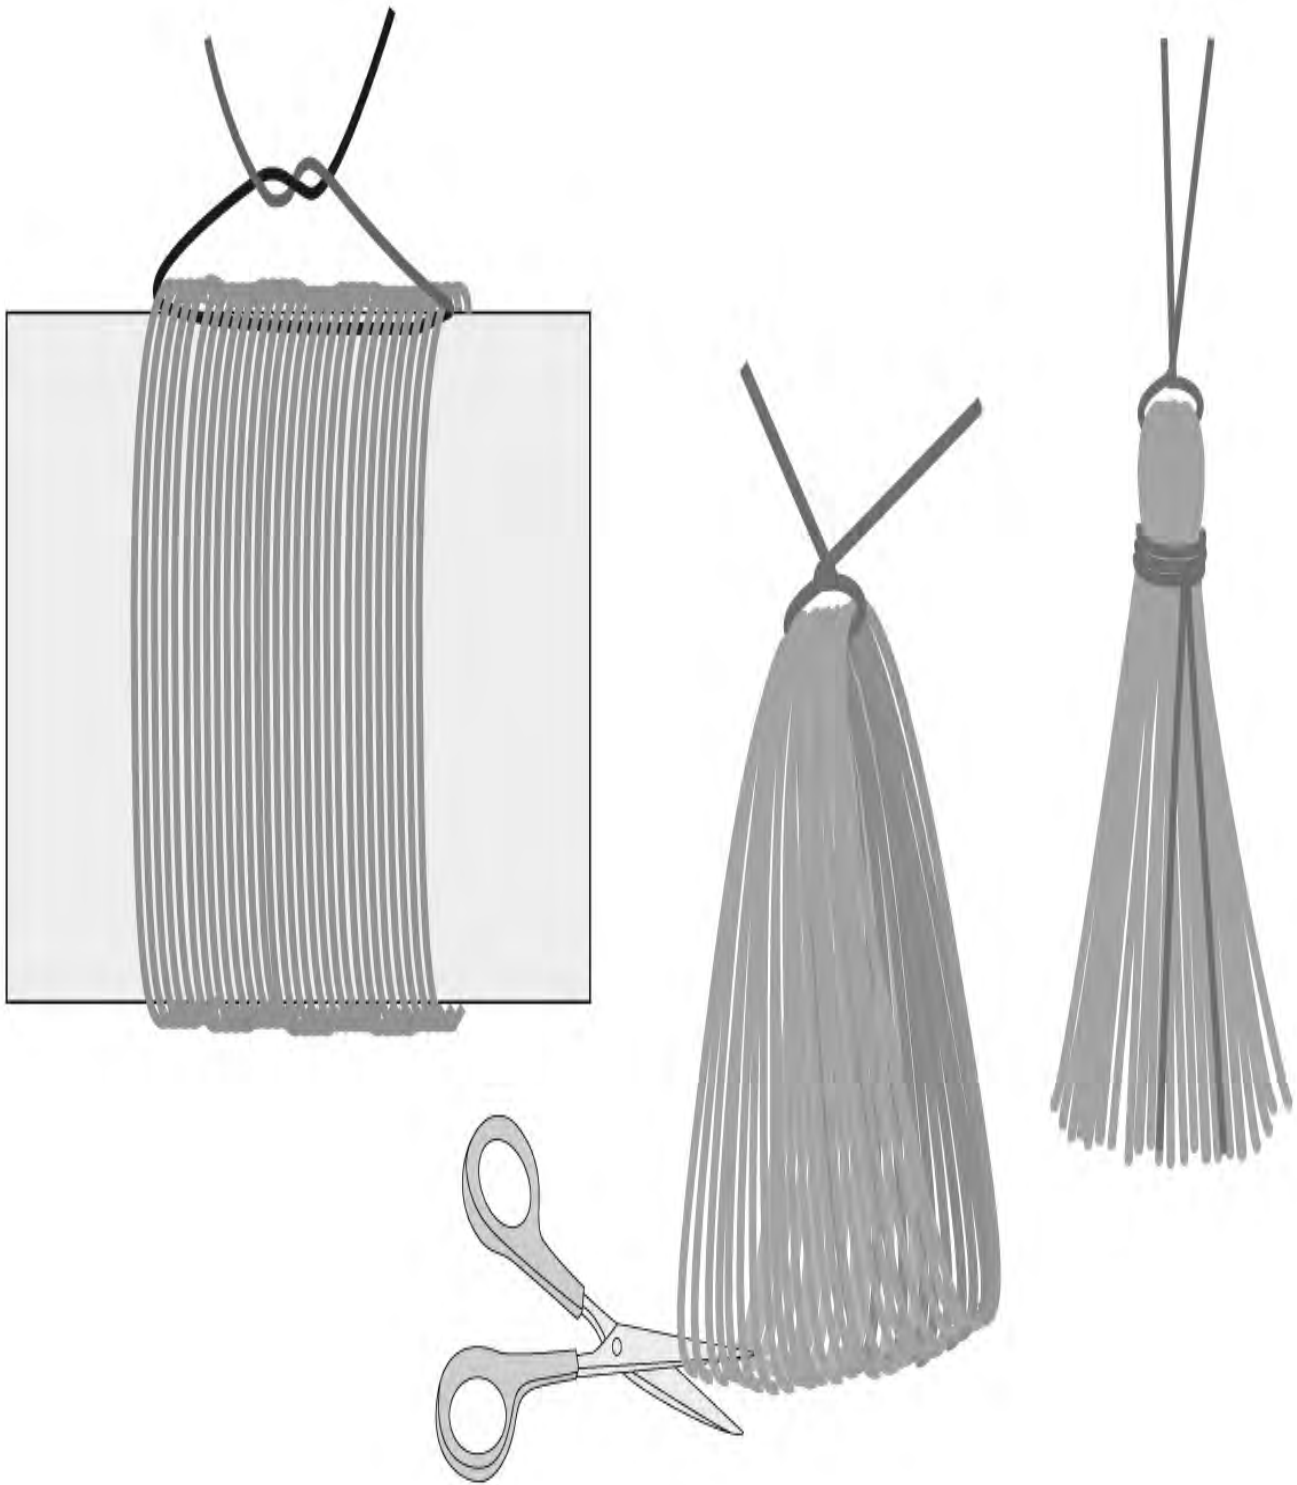

2 pieces cut out using the heart pattern

Embroider

- Hoop stabilizer and pink silk.
- Embellish the front piece with an embroidery design of your choice following the instructions given for that design (we have used design #1 from design collection 467, Fancy Fabric). When finished cut out the front piece using the heart pattern, adding a 5/8" (15 mm) seam allowance.

Create a Tassel

- Wind the yarn around a piece of thick paper. (4"x 6"/10x15 cm)
- Tie a thread through one of the short ends, and cut the other end open.
- Then wind a thread piece approximately 1/2" (1 cm) from one end. Trim the tassel.

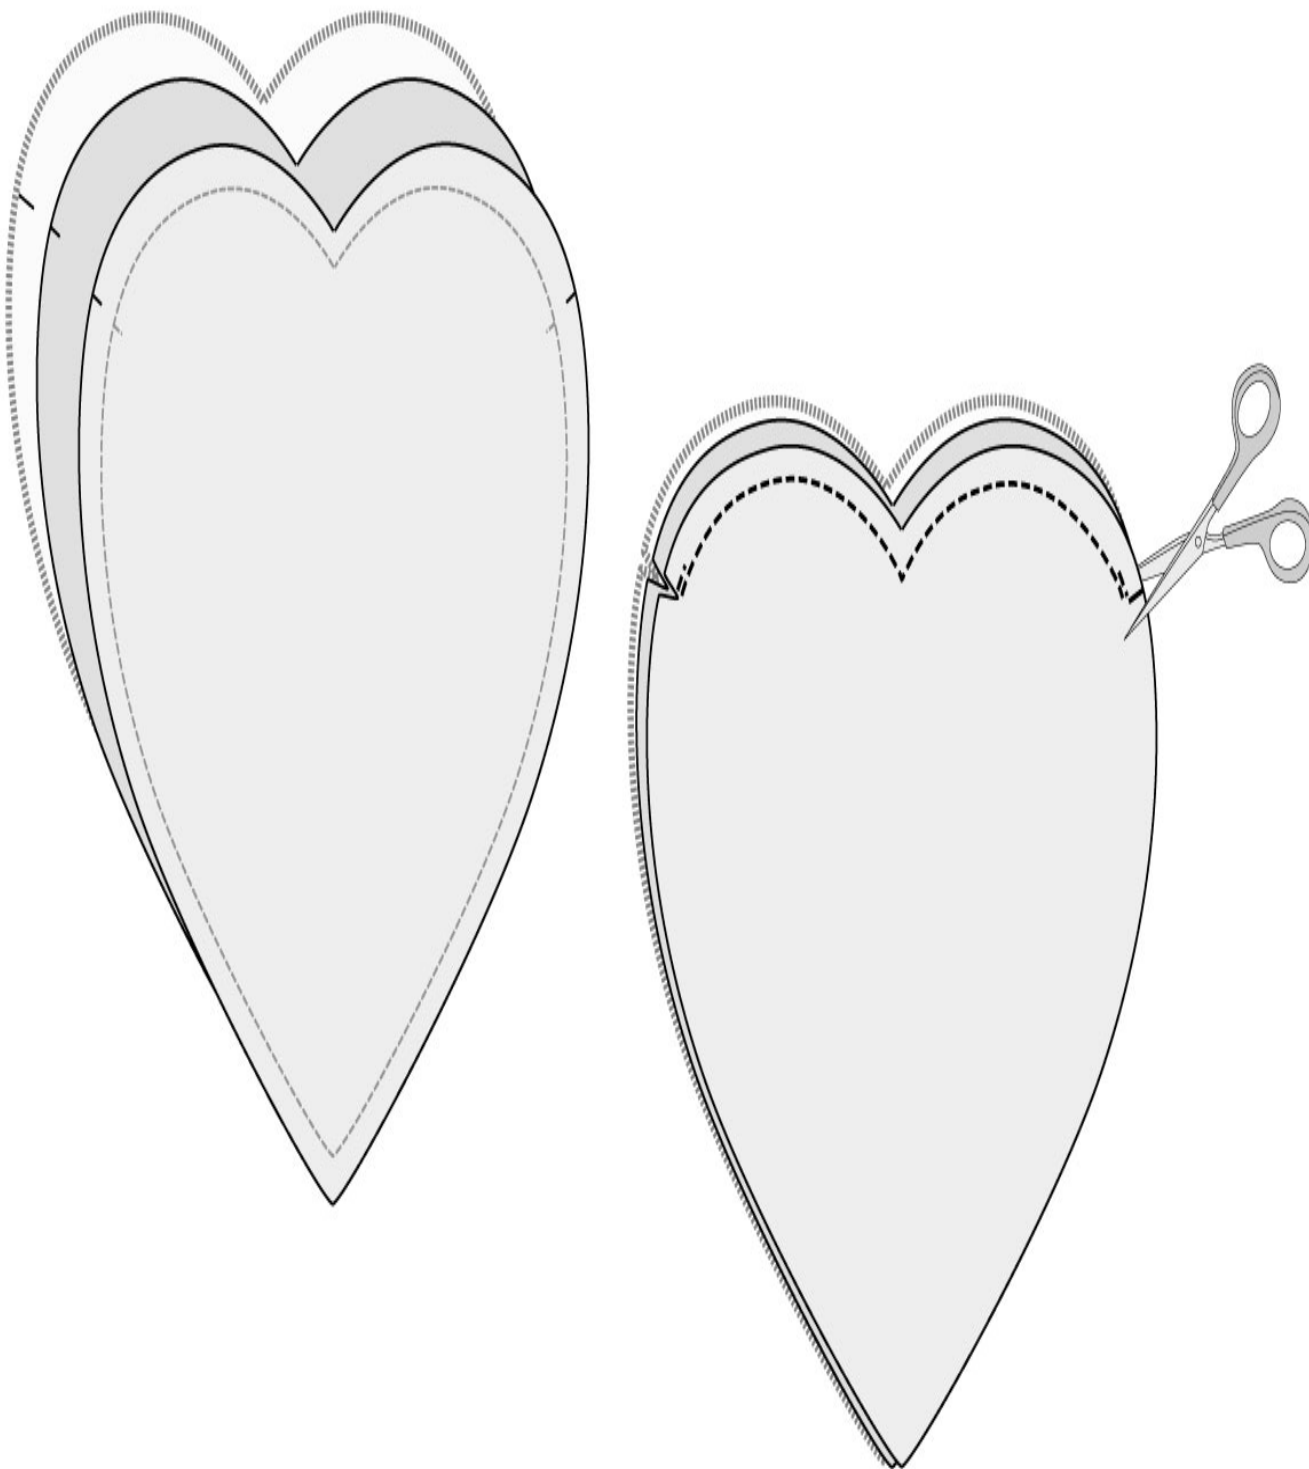

Shoulder Strap

- Cut a strong and durable thread about 40" (100 cm) long. Thread with beads to create a shoulder strap.

Sewing

- Place a piece of lining right sides together with the embroidered piece of the bag. Place a piece of batting on the bottom. Pin all layers together.
- Sew the pieces together between the markings along the upper edge as illustrated (use 5/8" (1,5 cm) seam allowance).

- Trim the seam allowance and turn right side out.
- Repeat with the back piece.

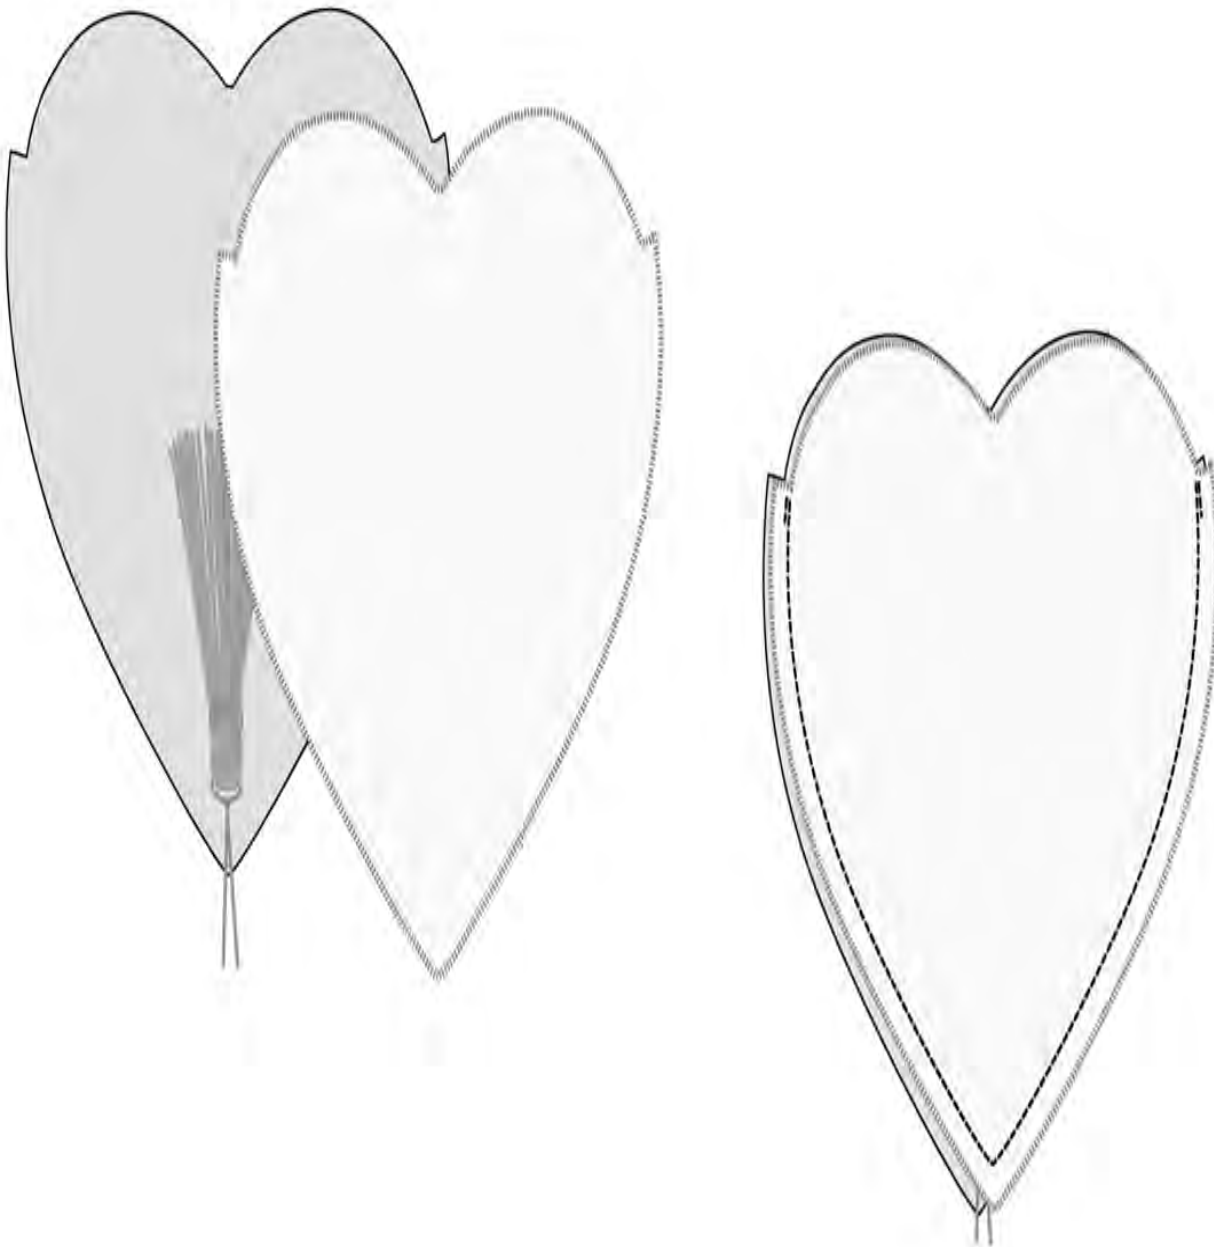

Sew the Bag

- Place the tassel on the front piece with the tassel pointing inwards. Place the back piece on top of the front piece right sides together.

- Pin and sew the bag together between the markings as illustrated.
- Trim the seam allowance, overcast, and turn right side out.

TIP: Use a bias tape to give the inner seam a smooth and neat appearance.

- Sew the shoulder strap to the bag, using a strong thread.
- Sew a snap fastener inside at the top of the bag.

Heart Shaped Valentines Bag
